**RULES FOR NEW ENGLAND CUTTIN' FOR CASH ALL ROUND CHAMPION HORSE
COMPETITION**

- 1.** Entries will be taken for a team combined of 1 Pro and 1 Non-pro run on the same horse and can be from any two events. (A team must consist of a pro trainer and a non pro competing on the same horse, not a non-pro riding the same horse in two separate events) The non-pro nominating in the event must own the horse.
- 2.** The scores of both runs will be combined and the horse of the team with the highest aggregate score for the entire show will become the **NE CUTTIN' FOR CASH ALL ROUND HORSE for 2017.**
- 3.** Entries must be nominated and recorded by the secretary **prior** to the 1st horse of the team competing. **No late entries will be accepted under any circumstances.!!**
- 4.** Once the nomination has been lodged and the 1st horse has competed the nominated team cannot be changed.
- 5.** It is possible for a horse to be nominated in two teams but each run can only be nominated in 1 team. Ie A horse has 3 runs, 1 in the open ridden by the pro and one in the rookies and one in the \$7500 NP. That horse can only be nominated in one team either the Open and the Rookies OR the Open and the \$7500 NP not both. However if the horse has 4 runs two with the Pro and two with the Non-pro then it may be nominated in two teams using each run only once. The two teams must be nominated before the 1st run takes place.

A PERPETUAL TROPHY AND CHAMPION VESTS WILL BE AWARDED AT THE CONCLUSION OF THE SHOW TO BOTH THE PRO AND THE NON-PRO.

**CONGRATULATIONS TO THE 2016 WINNERS Rob McKenna AND Rob Hodgman
RIDING EB's Last Touch WITH A COMBINED SCORE OF 296.5**
