

Dear Members,

I have nominated for a position on the board of the NCHA and I seek your support.  
I live in Springsure in central Queensland with my wife Rachel and four year old son Boyd.

I have been a professional trainer for 15 years and have been fortunate enough to have won 3 futurities, with NCHA lifetime earnings of over \$1 million dollars. I have previously been a board member and was president during that time.

I am of the opinion that the biggest issue facing our sport is the lack of membership. My focus is to work with the board and management to address this issue.

I am very keen to see the snaffle bit, amateur, and limited non-pro cutting grow along with grass roots cutting. Grass roots cutting is a great initiative and we need to promote this event to a wider audience, to work with affiliates and help them run successful events.

Cutting is my life, my passion and my hobby and I have been quoted many times saying, 'cutting has been very good to me.' I want to see our sport grow and prosper so that the next generation is proud to say they are members. Cutting has much to offer and it is my aim to let people know what a thrill it is to ride a cutting horse.

I would be very grateful to receive your vote and I will do my best to represent your interests on the board.

Regards,

Jason Leitch.
